WHAT IS NATURE PLAY SA COLLECTIVE?

The Nature Play SA Collective is a membership program for educators and families across South Australia. Memberships support the work of Nature Play SA – a not-for-profit organisation dedicated to increasing the amount of time children spend playing and learning outdoors.

WHAT ARE THE BENEFITS OF THE EDUCATORS MEMBERSHIP TO YOUR PRESCHOOL?

If you are a Preschool that understands the importance (or have the desire to) of nature play and the value of outdoor learning environments for children's development and wellbeing, the Educators Membership will bring significant benefit to your site. It offers a unique online toolkit that aims to build the knowledge, skills, and confidence of leaders and educators on nature play theory, practice and pedagogy.

Benefits include:

- A twelve month subscription to an online portal featuring a database of research, policies, reports, curriculum resources, videos, podcasts, and whole host of new member-specific downloads such as Lesson Plans for primary years and a poster series for Early Years (updated January/July each year)
- A twelve month subscription to our online magazine Nature Play the Education Way featuring leaders, childhood experts, research, and stories from educators in the field (released April/October each year)
- A 10% discount off all workshops, conferences, incursions and excursion and the opportunity to purchase pre-sale tickets
- Further discounts and special offers that you'll be notified via email and the online portal
- Supporting Nature Play SA continue its role in supporting the South Australian community to get more children playing and learning outside

WHO CAN USE THE MEMBERSHIP WITHIN A PRESCHOOL?

All the staff within the registered Preschool can use and access the membership benefits via the login provided

CAN OTHER PRESCHOOLS USE OUR LOGIN INFORMATION?

As we are a not-for-profit organisation, the funds generated from our membership provide important financial backing for us to continue the work we do. Therefore we ask preschools only allow access to their staff and encourage other sites to support us by financially committing to a category of membership that suits them.

WHAT IF WE SHARE OUR CAMPUS WITH A PRESCHOOL?

If you share a campus with a Preschool email us and we can explore options for a dual membership.

HOW LONG DOES A MEMBERSHIP LAST?

An educator's membership will be for 12 months from the day of registration. Renewal reminders will be sent out with the option of re-registering for a further 12 months.

WHAT IS THE METHOD OF PAYMENT?

Your membership is to be paid in full online via credit card or paypal.

HOW CAN YOU REGISTER OR FIND OUT MORE ABOUT THE MEMBERSHIP?

To register head head to www.natureplaysa.org.au or email our membership coordinator Tarnya Temme at collective@natureplaysa.org.au for inquiries.

We are excited about the possibility of positive change that we can all make in embedding teaching, learning and playing in natural outdoor environments, and raising the value and importance of children spending time outdoors.

We hope you can support us and for play a part in bringing our Nature Play Collective to life.
