

# Online Incursion Program

## NATURE PLAY BACKYARD ADVENTURES

The Online Nature Play Incursion Program is a multifaceted, cross curricular learning experience specifically designed for remote access.

Our suite of offerings has been modelled on our popular incursion and excursion program and include elements of our festival favourites too! Join us, online to learn new skills and have fun with everyday items.

### PROGRAMS INCLUDE

- Cubbies and Dens
- Adventures with Ishi the Rock (a movie making adventure)
- Nature Art and Craft
- Small Worlds and Big Adventures
- STEAM and Natural Pigments
- Ice and Water Magic
- Backyard Games from Long Ago.

A two-hour experience guides children, families and educators through a range of nature play and outdoor learning experiences. All members from your learning community will be invited to attend, with all resources, facilitation and logistical elements taken care of by the Nature Play SA team. These programs are suitable for 4-12 years of age and enable your community to come together, have fun and engage in a healthy mix of creative and structured learning.

### ONLINE INCURSION STRUCTURE

**SESSION 1** A half hour online session will be facilitated via Zoom with all children and educators within your learning community invited to attend. (The logistics of setting this up will be taken care of by the NPSA team.) During this meet up, we welcome and familiarise everyone with the online environment, introduce activities, explicitly teach new skills and play some fun games.

**MISSION TIME** At the end of the online meet up, it's adventure time! A mission guide is provided for all participants to complete during this one-hour challenge, using everyday materials from around the house. (An extensive resource list is provided prior to the start of the session.)

**SESSION 2** A half hour online session brings everyone together to share discoveries and new learning. We celebrate

achievements and discuss challenges too. This session concludes with some fun and games – facilitated with natural materials; the nature play way!

### FEE STRUCTURE

\$ 100 +GST /per site (*COVID-19 recovery special*)

Program package includes; choice of program, all families and educators from your site can join in the fun, 2 x 30 minute facilitated sessions via Zoom, PLUS all challenge activities and a mission guide.

### SUGGESTION FOR PROGRAMMING

Due to the practical nature of these sessions, educators and families will be empowered with new ideas to keep learners engaged well after the session has ended. Consider booking multiple sessions, with a recurring 'nature play' day to look forward to every week. We suggest a 5 or 10-week program would provide benefits to both learning and teaching outcomes for all and allows participants to engage in multiple programs.

### HOW TO BOOK

Email the following information to [schools@natureplaysa.org.au](mailto:schools@natureplaysa.org.au) to express your interest or find out more.
